

FREE BREXIT WORKSHOPS NEAR YOU

GET READY FOR BREXIT

All UK recruiters, HR professionals and employers are invited to join a **FREE** ALP “**Get Ready for Brexit**” workshop, being held across the UK in October.

In just **two hours** you will receive **specific, practical guidance** from our expert consultants on the actions your business needs to take in respect of your existing and future EU workforce.

For those who are unable to join us in person, please register for one of our webinars, also free of charge and available to book immediately.

You will learn how to:

- Correctly advise current EU workers of what they need to do to safeguard their right to remain in the UK – in both a ‘deal’ and a ‘no-deal’ scenario.
- Understand what action to take to remain compliant with right to work legislation.
- Consider what actions to take to help secure continuity of future labour supply.

All workshops include an Expert Question and Answer session over a buffet lunch. Spaces are limited so book now.
